

# Egypt's Expression of interest to host the International Conference on Fracture (ICF17)

Cairo University and Central Metallurgical R&D Institute (CMRDI) are delighted to submit this expression of interest to host ICF Quadrennial "ICF17" in Cairo, Egypt in 2029 as a representative to Africa and Middle East

Organizing ICF Quadrennial for the first time in Egypt will be a great and unique opportunity to strengthen ICF activities in Africa and Middle East region.

Cairo University and CMRDI have hosted many of the world's leading conferences.
