(2) Approval of Agenda

This was approved as follows: (1) Welcome & Attendance; (2) Approval of Minutes – August 29, 2010; (3) Matters arising from the Minutes; (4) ICF13 – Yu Shouwen; (5) ASTM MoU (Model); (6) Sino-German Workshop & potential also of CSTAM/ICF MoU; (7) DVM/ICF MoU – MBH; (8) Interquadrennial; (9) Next Meeting September 2, 2010, 1-2pm, Room 103

(3) Matters arising from the Minutes

MBH suggested modifying line 14 of section 3. Which was approved. The minutes were then approved.

(4) ICF13 – Yu Shouwen

A full report on progress towards ICF13 was presented. The website will be launched on October 1 2010. This website will incorporate a comprehensive ICF section. The meeting expressed much appreciation to Professor Yu Shouwen and the whole CSTAM/ICF13 Team for the excellent progress.

(5) ASTM MoU (Model)

A draft MoU ASTM/ICF was tabled and this will be discussed at the next meeting.

(6) Sino-German Workshop & potential also of CSTAM/ICF MoU

Productive discussion on these topics was promising. Linked also to developments of ICF13.

(7) DVM/ICF MoU - MBH

A comprehensive presentation on the potential for a DVM/ICF MoU was made by MBH. We look forward to further developments during the next months towards the ICF ExCo on May 19 2011 in Anaheim, California.

(8) Interquadrennials

Mimoun presented plans for a series of ICF IQ´s mainly in Africa and this was received with appreciation and support.

(9) Next Meeting

September 2, 2010, 1-2pm, Room 103

(10) Conclusion

The meeting was closed at noon with appreciations to all attending.

September 1 2010

David Taplin, ICF Conference Director
